12. **Adherence to the Guidelines for General Admissions** – A significant number of post-result correction cases are being received every year from the schools, wherein, some correction cases also involved litigation. This office has time and again issued instructions / guidelines to capture correct student particulars, only after ascertaining the particulars from valid documentary records / certificates, at the time of admission and submit the online Registration / LoC Data very carefully after verifying the school records i.e., Admission Form, Admission Withdrawal Register and Transfer Certificate (wherever applicable). However, it has been observed that some schools are still not adhering to the guidelines due to which a large scale post-result correction cases are being received in this office.

Therefore, while granting admission, required documentation and procedure prescribed by the Board must be adhered to, and special care be taken about eligibility in terms of age factor. The admission be granted only after ascertaining the age related eligibility criteria. The school shall

ensure to properly keep the **School Records i.e. Admission Form, Transfer Certificate and Admission Withdrawal Register** to maintain complete record(s) of the students. Correct particulars of the student viz. Candidate Name, Mother's Name, Father's Name, DoB, etc. be captured during admission, strictly on the basis of viable documentary records viz. Service Record of Parents, Aadhar, Voter ID, Passport, previous School Records of candidates, wherever applicable, so as to avoid post-result corrections.

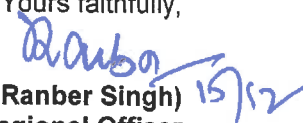

Further, admission to the school / examination is to be restricted as per Rule 6.1 of Examination Bye-laws and Rule 12 (i, ii, & iii) of Affiliation Bye-laws. The school will ensure that the Subjects being taught in the school are strictly as per approval given in affiliation grant letter and no other Subject be taught without approval. As per Rule 13.12 (ii) – No affiliated school shall endeavour to present the candidates who are not on its roll nor shall it present the candidates of its unaffiliated Branch/School to any of the Board's Examinations. Also, school will not prepare any student/smart class for any other Board except CBSE from their CBSE affiliated school building/premises.

13. **Adherence to the CBSE Bye-Laws** – Being an affiliated institution of the Board, it is obligatory and mandatory on the part of the schools to adhere to the Affiliation and Examination Bye-Laws of the Board in its overall functioning. Violation of the provisions of the Bye-Laws of the Board will call for strictest action against the defaulter school. It has been noticed that some schools are still referring to the old Affiliation Bye-Laws, 2012, whereas, the same has been replaced by the new '**Affiliation Bye-Laws, 2018**' (Date of Notification 18/10/2018). All such schools are hereby informed to refer to the new Affiliation Bye-Laws, 2018 and comply with the same. In addition, during a surprise check in the recent past, it also came to notice that majority of the schools have not framed the Rules Governing Service Condition for its Teaching / Non-Teaching Staffs in compliance to **Chapter - 5, Clause - 5.3**. Not framing of Rules Governing Service Condition on the part of such schools shows gross violation of the CBSE Affiliation Bye-Laws and it is, therefore, advised to prepare the same in conformity to the provisions contained in Chapter - 5.

**This office has been forwarding all the communications / circulars issued by the Board HQs, Delhi as well as at on Regional Office level to the schools for their information and updation. However, it has been observed that some schools are not looking / reading / understanding the communications being sent on a range of topics / subjects and thus, not aware about important updates. As a result, at times, such schools keep on contacting this office through letter / emails / other electronic medium seeking this office's assistance on silly things. Therefore, the Principals / Head of Institutions are requested to thoroughly read and understand the communications being made by the Board and Regional Office for important information and updates for their own ease in running various activities in the school. Also, it would be appreciable, if the communications / circulars (except confidential information) are brought to the notice of the Teaching Staffs for their information. This practice would surely, help the school in smooth disposal of the school activities as well as assignments related to the Board.**

For latest information and updates, you are requested to visit Board's website and go through the communications / instructions issued by the Board from time to time and make all possible efforts for implementation of the NEP-2020, as and when communicated by the Board.

With Best Wishes!!

Yours faithfully,
