

Vacations are the most appropriate time for kids to refresh and rejuvenate themselves, to be creative, to learn new skills and perform more enthusiastically. Children have ample energy which should be channelized in the right direction to get the best out of them. We have designed holiday homework, keeping this in mind. It will build their confidence and new skills.

Guidelines for the parents:

- Spend some quality time with your kids. Have at least one time meal with them. Play at least one indoor or outdoor game with them. Take them to the park and share your childhood experiences with them. Encourage your child to go outdoors rather than sitting in front of electronic gadgets all day.
- Encourage your child to cultivate the reading habit. Get some story books of their choice to read.

Instructions for kids:

- Do your homework neatly and on your own.
- Learn and Revise all the work done in the class.
