

## ARMY PUBLIC SCHOOL CLEMENT TOWN ,DEHRADUN

### Report on Student's Participation and Achievement in INSPIRE MANAK National Level Exhibition & Project Competition

#### Outstanding Achievement in the National Level Exhibition & Project Competition

Exhibition Date: 17-19 Sept 24

This report highlights the remarkable participation of Kaushtubh sriyam Dubey ,a student of class XI Science from Army Public School Clement Town, who represented the school in the prestigious **INSPIRE MANAK National Level Exhibition & Project Competition** held at **Pragati Maidan & Vigyan Bhawan, New Delhi on 17-19 Sept 24** . The exhibition, organized by Department of Science and technology, Government of India which brought together the brightest young minds from across the country to showcase innovative scientific projects. We are proud to report that our student won a National Prize, making this a momentous achievement for both the student and the school. Participation in the Event.

Kaushtubhsriyam demonstrated exceptional skills and creativity by presenting the project titled "**Forest Fire Terminators**". The project focused on using technology to minimize forest fire. The student's innovation and understanding of science were highly appreciated by the panel of judges, which included renowned scientists and experts in various fields. Preparation for the exhibition required months of hard work, dedication, and guidance from a team of dedicated teachers Mr, Dheeraj Dobhal, PGT Physics, Ms. Malvika Dixit TGT(CS) and Ms. Anjali Negi (TGT Science) . Kaushtubhsriyam participated in preliminary rounds at the district and state levels, and eventually qualified for the national level, outshining many other talented participants.

The school remains committed to fostering scientific talent and looks forward to many more achievements in the future.
