"Empowering Future Leaders through Student Council"

Dear Parents,

"The greatest leaders are those who empower others to become leaders." - John Maxwell

At Army Public School, Clement Town, we firmly believe that every child has the potential to become a leader. With this vision, we have established a Student Council that provides opportunities for our students to develop and hone their leadership skills.

The aim of having a Student Council is to not only to give our students exposure to leadership roles, but also to provide them opportunity to contribute to the growth of school.

Through this initiative, we strive to create a supportive environment where every child can grow and thrive as a leader.

By empowering our students with leadership skills, we are shaping the future leaders of tomorrow.

Regards,

Principal 20/09/2024
